

My name is Sarah.

My favourite job is collecting the chickens' eggs to sell in the farm shop.

My name is Michael.

I have worked at Darwin for over 5 years. Through training I have learnt a lot about plants, machinery, tools and working as part of a team.

Darwin Nurseries
encouraging growth

Cambridgeshire and Peterborough **NHS**
NHS Foundation Trust

The activities which Darwin Nursery offers:

Darwin Nursery is a farm shop and garden nurseries working with adults with learning disabilities and mental health issues.

We promote learning, independence, skill building and social skills within a supported, horticultural and retail environment.

We have a large site shop, greenhouses, animals, shrub areas, pond, quiet garden and turf maze. We grow produce hanging baskets and grow many different plants and flowers. The shop is well stocked with all customers need for their garden, as well fruit and vegetables and pet foods.

Darwin Nursery offers vocational courses with Huntingdon Regional College in horticulture and retail. It is proud to be non discriminatory and welcomes everyone.

About Darwin Nurseries

Darwin Nursery a farm shop and garden nurseries working with adults with learning disabilities and mental health issues.

Where the activities are

The activities are based at our site in Newmarket Road in Cambridge, on the junction with Airport Way (just off junction 35 of the A14).
