

My name  
is Rachel.

I attend The Prospects  
Trust at Snakehall Farm,  
Reach.

I enjoy working with others on the farm, particularly driving the tractor and on the Garden Team maintaining gardens in the community. I have also gained an NVQ1 in Horticulture.

# The Prospects Trust

## Opportunities at the Farm

We offer a broad range of activities including the use of machinery, seed sowing, planting, harvesting and keeping the shop stocked with our organic plants and vegetables.

## The Garden Team

The Garden Team provides opportunities for people to work on a professional garden maintenance team in the local community.

## We Can Also Offer

Support with confidence building and independence, learning new skills and experience in a real working environment. You can also work towards a nationally recognised qualification in horticulture.

## How to Find Out More

Please write or telephone and we will be happy to give you further information or arrange an informal meeting. You can also visit our website at:  
[www.prospectstrust.org.uk](http://www.prospectstrust.org.uk)

## The Prospects Trust

works with people with learning difficulties and other vulnerable or isolated people in a supported environment. We offer training and work experience in horticulture and organic market gardening on our 18 acre market garden.

## Where the activities are

The Prospects Trust is based at Snakehall Farm, Reach and supports the wider community with its Garden Team and organic vegetable and herb production.
